

UFO Sept. update
Eugene ENGLEADOW's birthday reception

Please mark your calendars and plan to attend Eugene Engledow's 105th birthday reception on October 7, 2018 (Sunday) at 2:00 - 4:00 (or whenever it's over). It is planned for the Bolivar airport (M17).

Gene is the senior member of the UFO and a living history of aviation. He was born in 1913, just ten years after the Wright Brothers historic flights. His ears and eyes may be failing him now, but his mind is lively and quick to remember and talk about the early years and people he has met. It has been my pleasure to know him for the short time that I've lived in Bolivar.

He played a significant role in Jimmy Doolittle's Tokyo raid that changed the course of Japan's expansion into the Pacific. He enjoys talking to our local pilots about his supervisory role in the modifications of those B25s.

I have visited the local motels and recommend 3 for UFOs who will spend the night(s)

Super 8 offers either 2 queen size beds or 1 king for \$62.10. Call manager Cheri Becker 417-777-8888 (M-F. 7:00-3:00) for more information and reservation.

Comfort Inn offers 2 queens for \$77.40 or 1 king for \$91.90. Call Sean Patel 417-326-6169 for information and reservation. (room picture not available)

Our newest motel is Best Western Plus (opened this past spring) offers either queen or king size beds for \$93.00. Call Rachel 417.709.3045 for information and reservation. (Room picture not available)

All motels recommend reservations by September 23. Rooms are being filled in October. All motels reported same rates for their rooms on additional days before and after October 7.

Please RSVP soon to help us to finalize our festivities.
